Lower alternative of the NV second deposit: 86,70 EUR × 75% = 65,03 EUR at cap 500 EUR and 25 FS Book of Ra Deluxe. Together with the first and third stages, the branch gives 200 FS, the upper one — 225 FS. A separate sports package is not included in this amount.

For Mostbet ×60 and 72 h refer to the casino bonus in EUR; for qualified Live Casino and Virtual Sports the contribution 10% is described. The card of regular Chicken Road 2 has hasBonusMode=false; the presence of a free bet in another crash product does not change the contribution of this card.

Activations differed by offer: NV — in the profile before payment, Ice — from the displayed promotion, Total — per the Polish card, Mostbet — selection of casino at registration/cashier and crediting to a separate bonus wallet up to 72 h. With territorial admission closed, I left crediting at zero.

In the example of NV weekly cashback at the Middle level, I took 370,00 EUR of calculated bets, 283,50 EUR of payouts and excluded 28,25 EUR of bonus losses. Base 58,25 EUR; rate 2%, ceiling 50,00 EUR, previously credited 0,50 EUR; remainder to be credited 0,67 EUR. First the cap to be credited, then the deduction, the result is floored at zero.

Seasonal promotions and limits

In Bison the mission Bison Hunt #2 is retained (24.11.2026 22:59 → 26.11.2026 22:59 UTC, min bet 0,1 in the approved source designation). The prize example below refers to a separate weekly scenario with opt-in and qualification according to the published list of games. The main Chicken Road 2.0 is excluded from its calculation until explicit qualification. A player earns one point per 1 PLN of calculated eligible stake, including a lost one. If points are equal, the participant who reached the total first ranks higher. Stake from 2 PLN; the multiplier is counted only if this condition is shown in the campaign rules.

Places	Quantity	Prize to one	Range sum
1–1	1	300,00 PLN	300,00 PLN
2–3	2	150,00 PLN	300,00 PLN
4–10	7	50,00 PLN	350,00 PLN

Period 16.11.2026 00:00 CET — 22.11.2026 23:59 CET; 10 prize places, total 950,00 PLN; 3 business days until crediting after places are fixed, cash payout without wagering under the approved terms. In the payout example 600 PLN was credited, the fund balance is 350 PLN. The Bison wheel is presented as a separate Spin and Win campaign over 30 days. In the daily wheel scenario one admission per day gives one separate reward; cash and voucher are counted by their type. Operator jackpots are counted separately from the Chicken Road 2.0 limit.

NV: levels and weekly cashback; Ice: 99 levels, 1 comp point per 10 EUR/USD of turnover per the description; Stake: Bronze from 10 000 USD of qualifying turnover. The status and credits of each wallet remain separate. A limit reduction applies upon confirmation of a new lower value. Upon requesting self-exclusion, I ended the session, saved the history and passed to support a reconciliation of unfinished financial tickets.
