Statuses and meaning of sources

Designation	How to read
SOURCE-OBSERVED	The data is directly present in the preserved material and approved by an expert.
OPERATOR-CLAIM / PROVIDER-CLAIM	Approved information from the casino or provider: offers, rewards, benefits and statistics.
THIRD-PARTY CLAIM	Information and assessments from a third-party catalogue, review author or user, approved as part of the project base.
SOURCE-CONTEXT	Value variants and conditions are shown in the context of the relevant materials and approved for the indicated scope.
EXPERT-CONFIRMED	The information is established, confirmed by an expert and approved as part of the base.

Personal testing of bets, deposits, withdrawals, KYC and apps is confirmed by the author. Preserved interfaces and demo rounds are part of the approved test results. The project author is indicated in the expert passport; authorship of third-party reviews is preserved in the relevant materials.

Passport and scope of author's tests

Chicken Road — the editorial project chickenroadgry.com about the game. The operational passport refers to **Chicken Road 2.0**, a single step crash InOut Games, ID chicken-road-two, release date 15.04.2025 according to the provider card. The 1.0.0 rules refer to the preserved client window. The original Chicken Road and Mostbet Chicken Road 2 are considered separately.

Michał Kowalski, 28 years old, iGaming, Gambling and Betting developer and analyst. 9 years of research into providers, casinos and payments. The author's contact is support.michal@chickenroadgry.com. The author's

testing period is November 2026, country — Poland, devices — Samsung Galaxy S25 Ultra · Android 16 · One UI 8 and iPhone 17 Pro · iOS 26. pl-PL — the main site language for Poland; English — the international version without GEO targeting.

The author stated that the six named casinos accept payments in the local currency and that the game was tested. In the provided materials, Stake Terms 14.3 includes Poland among prohibited jurisdictions, and Bison shows consent for access from outside Poland. The scenarios for these two profiles show the fate of the accepted payment after access is stopped. For Total Casino and Ice Casino, the public preserved search samples are separated from the profile described by the author. Operator episodes are confirmed under the stated conditions. The FI profiles from the comparison belong to a separate scope.

Game sections: New casino games, Free slot machines, Roulette, Blackjack, Keno; links to Pragmatic Play, Habanero, Amusnet (EGT), Amatic, PGSoft, Nolimit City, Playtech; real-money lists Slots, New slots, Roulette, Bingo, Pragmatic Play casinos, Nolimit City casinos, BGaming casinos, as well as Blackjack/Craps casino lists. The navigation of the third-party catalog, the deposit and withdrawal methods, the providers and InOut products are confirmed in their respective sections.

Sections of SlotCatalog — Games, Providers, Bonuses, Casino, Casino Apps, Payments, Read, Hot/Cold Slots, Giveaways, Tournaments; separate lists Top Slots, Free Demo Slots, Jackpot Slots, Megaways Slots, New Slots, Top Casinos, New Casinos, Mobile Casinos, Casino Bonuses, Game Providers; editorial Interviews, What is SlotRank?, About Us, Contacts, Terms and Conditions, Privacy Policy, Cookie Policy, Editorial Policy; separate links Gates of Olympus Super Scatter demo and Demo Slot PG. The casino lists on the page have groups Best Casinos, No deposit, New Casinos, Crypto Casinos; the bottom repeat of the catalog names Free spins. Do not transfer this navigation into a statement about the functionality of the game itself.

Casino Guru offers adding the game to My list after logging in/registering, and a message about problems Game won't start loading, Game freezes while loading, Game throws an error, Problem with Flash, Other reason. The latter is a generic form category, not evidence of Flash use in Chicken Road 2.0. You can rate four components of the game on a scale of 1–10, leave a comment of up to 160 characters and choose a language; the interface provides for publication immediately or after review, subsequent editing and irreversible deletion of the review. Messages about successful submission and publication of reviews are confirmed.

In the forum form Casino Guru, a limit of 5,000 characters is shown, no more than five attachments per message, up to 5 MB each; supported formats jpg, png, gif, tiff, webp, svg. To publish a win screenshot, you can specify casino, game, bet amount, win and currency as optional fields. The form's currency list contains confirmed options for messages; the supported currencies of Chicken Road 2.0 are confirmed in the respective section. Subscribing to the newsletter requires confirmation of age of at least 18 years and the legal right to play; the email confirmation states the link validity of 72 hours. The address in the form field refers to the recipient; support

contacts are given separately.

SlotCatalog offers a free demo integration into a website/blog via a separate dialog and confirmation of age over 18; the integration code is established and confirmed. The newsletter promises weekly news about game releases, exclusive releases and bonuses for players, casino operators and developers.
