Chicken Road — a unified knowledge base of the project

Version 3.0. Revision dated November 25, 2026. Includes game materials from November 22, operator materials from November 25, and the author's report for November 2026.

The reference guide combines the retained corpus, approved expert data, and confirmed practical episodes. The scope of the source materials and the conditions of each operator record are specified in the sections below.

Brief factual profile

Field	Extracted value and scope
Primary subject	Chicken Road 2.0 / Chicken Road 2, InOut Games.
Game type	Single Player; crash / step multiplier: transitions across lanes, increasing multiplier, the decision to continue or collect the result.
Mode identifier	`chicken-road-two`.
Release date at the provider	15.04.2025; Casino Guru indicates April 2025.
RTP of the main preserved configuration	95,5%; matches the provider card and the game client parameter. Other tables from the code are described separately as standalone build configurations.
Risk levels and path length	Easy — 30; Medium — 25; Hard — 22; Hardcore — 18 lanes in the rules of the selected version.
Bets	In the help of the preserved USD demo: minimum 0.12 USD, maximum 200 USD. Third-party texts also contain minimums of 0.01 and 0.1 in their scopes; the values are approved for the relevant configurations.
Monetary maximum	Max win 20 000 USD in the preserved game help; not identical to the maximum table multiplier.
Cash out function	Completing the game round and locking in the result; not a withdrawal of money from the casino to a payment method.
Provider / legal statement	InOut Games; in the structured legal text IOGr B.V., registration 161532, Julianaplein 36, Willemstad, Curacao; an Anjouan ALSI-202506032-FI2 licence is claimed. Registration and licence information confirmed.
Provider contact	partners@inout.global — partner B2B contact. The support promise of 24/7 applies to partners.
Demo	The official provider-origin client with USD and English interface is preserved. The approved demo/launch addresses and their usage parameters are given in the profile section; information on launch and embedding for the future site is confirmed.
Field	**Extracted value and scope**
Ratings	The ratings of Casino Guru, user ratings and metrics of SlotCatalog are preserved

Public site name	Chicken Road
Operator domain	NV Casino — nv.casino; Stake — stake.com; Total Casino — totalcasino.pl; Ice Casino — icecasino.com; Bison Casino — bison.casino; Mostbet — mostbet.com; 22bet — card of Casino Guru / Gamecheck; Bitguruz — card of Casino Guru / Gamecheck
Main language version	pl-PL for the Polish version.
Language of the source articles	Polish for the main edition, English for the international one; both editions use common numerical and contractual anchors.
Audience country	Poland for the Polish edition. International English edition without a selected GEO.
Registration geography	Polish scenario of author checks; the FI profile relates to the comparison, while admission is determined by the operator's rules.
Restricted territory	Stake Terms 14.3 restricts the Polish market; Bison requires access from outside the territory of Poland. Total Casino in the FAQ opens registration while located in Poland.
Number of locales	2 language versions. pl-PL is the site's main language for Poland; English is the international version without binding to a GEO.
Methodology	Payments, bonuses, catalogue, mobile access, support and transparency — 25/20/20/15/10/10%. Scale 0–10.
Edition of the source base	Archive of snapshots 22 and 25 November 2026; edition 3.0 dated 25 November 2026.

Parameter	Condition and value
Project exclusion	The card of 2.0 covers the rules and parameters of this version; the offsite cashier, provider and editorial content have their own scopes. Limits of games from another family remain in their own cards.
Effective date	25.11.2026 — the date of the terms edition in the project; the effective dates of each offer are retained separately.
