Payment catalog of the Polish profile

From 259 items in the input list, 130 were selected in each profile for the deposit matrix (rounding 129,5 up). From each sample, 39 items were excluded for the withdrawal matrix, leaving 91. Currencies and assets denote the denomination, banks denote the issuer or sender, payment systems denote the route or intermediary. Actual directions are determined by the cashier's terms in the operator cards.
