Editorial profile policy

Parameter	Condition and value
Responsible publisher	Michał Kowalski, editorial project chickenroadgry.com.
Editorial contact	support.michal@chickenroadgry.com
Personal data contact	support.michal@chickenroadgry.com, subject "Personal data".
Commercial relationships	The editorial base uses independent work. The reference records the approved calculation of the CPA/RS comparison.
Contact form	Email, subject and description of the issue. Channel for corrections, privacy and claims.
Form recipient	Author and responsible publisher Michał Kowalski, public contact support.michal@chickenroadgry.com.
Consent	Separate consent to process the inquiry; aggregated analytics starts after the user's choice.
Comments	Comments are disabled in the initial editorial profile. Corrections are sent via the form.
Editorial site account	The editorial site does not require an account to read the review or send an inquiry.
Analytics	Aggregated views after consent. Wallet actions belong to the operator and do not enter editorial analytics.
Cookies	Strictly necessary cookies for choice and security; analytics cookies are separate and depend on consent.
Email copies	A copy email is sent to the address specified by the user after the form is received.
Storage of inquiries	90 days after the inquiry is closed in the working email channel.
Logs	30 days for the server access log, access by the responsible publisher.
Backups	30 days of backup rotation; deletion occurs at the next storage cycle.
AI assistant	AI assistant is disabled in the initial profile; help via the author and the site FAQ.
AI history on the site side	No AI dialogue records are created; support emails are stored under a separate term.
Feature status	Review, contact and reference navigation are active; accounts, comments, newsletter and AI are disabled.
Rights holder of the editorial site	Own editorial materials are managed by Michał Kowalski; third-party trademarks belong to their rights holders.
Editorial team and roles	Michał Kowalski — developer, analyst, author and responsible for corrections.
Public editorial email	support.michal@chickenroadgry.com

Parameter	Condition and value
Fact of affiliate links	In the initial profile, public links lead to the exact card/terms; disclosure of the affiliate nature relates to the respective placement.
Actual editorial commission	The CPA/RS calculation does not fix the project's commission; the published editorial profile is independent.
Paid placement	Paid placement is not part of the initial editorial profile. The commercial calculations log is kept in the relevant section.
Site forms by purpose	One contact form for errors, rights, privacy and other requests with a subject selection.
Comment and moderation rules	Public comment moderation does not apply when the feature is disabled; inquiries are reviewed by the author.
Editorial site account rules	The editorial account profile is disabled; casino login is handled by the brand itself.
Newsletter parameters	The editorial newsletter is disabled; a service copy of the form arrives upon an inquiry.
Analytics provider	Aggregated statistics on the technical platform side, consent configuration is separate; the provider's terms are fixed by contract.
Advertising pixels	Advertising pixels are disabled in the initial profile.
Cookie categories	Strictly necessary and analytics; analytics by consent. The advertising category is disabled.
Provider and hosting location	Hosting in the EU is confirmed; the exact provider name and region date are established by the project's hosting contract.
Personal data officer	Michał Kowalski, support.michal@chickenroadgry.com.
Data category and recipient	Email and inquiry description are received by the publisher; payment and identification data are sent to the operator via its personal account area.
Storage term start event	The form term begins when the inquiry is closed; server logs are counted from the recording event.
Deletion of the working record	The working record is deleted after 90 days after closing, technical logs after 30 days.
Deletion from backup	Backup rotation within 30 days after its creation; a new working archive without the deleted record.
AI provider, model and region	AI assistant is disabled; the AI processing provider and region do not apply to the site.
Storage configuration at the AI provider	The AI assistant has no log, form processing takes place in a separate email channel.
Audience age and verification	Editorial description for 18+; age and document verification is performed by the operator before access to play.
Rights to third-party trademarks	Brand names and trademarks are used for identification; the rights holder is determined by the respective card.

Parameter	Condition and value
Complaint route to the publisher	Email to support.michal@chickenroadgry.com, state the material, the status and the specific correction.
Publisher's role	Michał Kowalski is responsible for the editorial review at chickenroadgry.com; the operator and provider state their own legal entities and authority.
Response time	First editorial response within two business days under the inquiry handling rules. Storage term of a closed inquiry 90 days.
Purposes of collection	Responding to a message, correcting material and maintaining form security; the site runs aggregated analytics by consent.
Storage terms	90 days from closing the form, 30 days of server logs, 30 days of backup rotation.
Reader's rights	A request for data access, correction or deletion is considered on the basis of a confirmed inquiry to the responsible publisher.
Labeling	Commercial placement is labeled next to the specific material where contractual consideration exists. Paid placement is disabled in the initial editorial profile.
Consequences for the reader	Reading the review and contacting the editorial site are available without a cash payment. Deposit terms and commissions are set by the operator.

Confidentiality — Main parameters
